

A stylized graphic of a mountain range. The foreground features several dark blue, jagged mountain peaks of varying heights. Behind these, a series of lighter blue, semi-transparent peaks are visible, creating a sense of depth. A thin, light blue line traces the upper contours of the mountains. The background is white, and a solid dark blue vertical bar runs along the right edge of the image.

Venue

When you arrive at the access gate, please inform the staff that you are taking part in the championship.

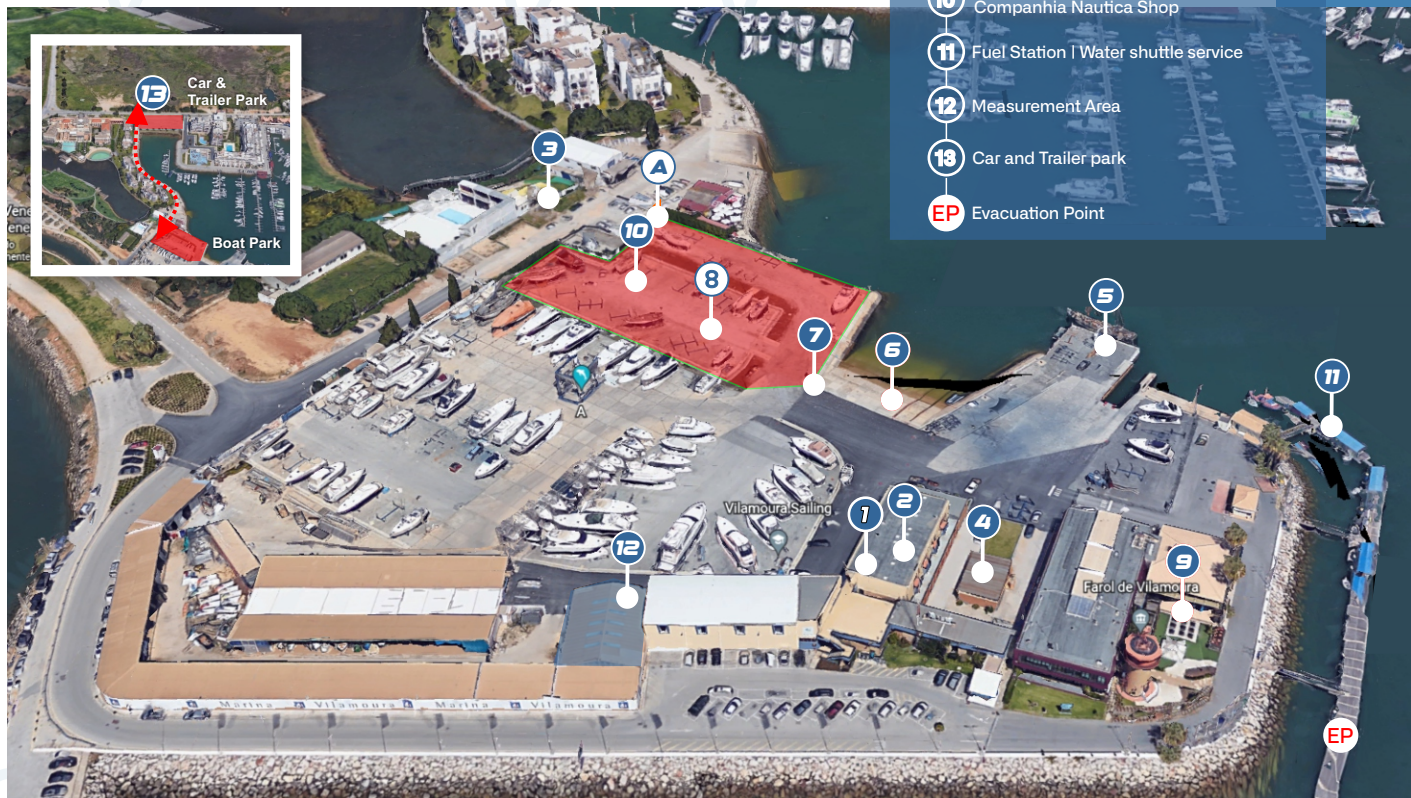

The security staff will direct you to the Vilamoura Marina reception. If you are only bringing ILCAS boats, simply inform the reception of how many boats you are bringing and your country. If you are bringing a support dinghy, you will need to present its ownership document and insurance.

Once inside the Boat Park, our Harbour Master will show you where to unload and where your boat can stay during the event.

After unloading, the trailer must be taken to the trailer park (13) and remain there until the last day of the event.

Vehicles are not allowed to stay or park within the Marina grounds; please use the car parks marked on the Venue Map.
